Meiosis vs mitosis worksheet pdf

Use the two documents connected below to complete an internet hands-on activity involving mitosis and meiosis. During these activities, you'll demonstrate your understanding of cell division by identifying and drawing different stages of these events, as well as answering questions about each one. Get spreadsheets You can choose to print these sheets, write out your replies, and then scan the documents again to create your single submission file. You can also choose to type your replies in the Word document and send the file. Do keep in mind that you need to complete the drawing activities as well so in some way you have to get those images into your final file.
