One thing you need to know when playing Smashing Rush (MOD Unlimited Money): No one dares to say that this game is easy. This is an endless run game created by great ideas from publisher Cold Soda. Plus, if you like exploring the city through Parkour, you definitely can't ignore it because it's fun to run and climb the highest roof in the city, and then watch the beautiful sunset. Table of contents [ShowHide]In Smashing Rush, your main task is to control the characters (randomly selected among the game characters) to complete the journey to conquer the most difficult stages, where no one has ever been placed. Players have to climb through the highest roof in the city in order to from left to right of the screen. The game's control system consists of two main buttons, Jump and Dash. You press the left button of the screen to jump and hit twice in a row to get a double jump. When you meet the blue wall, you can click the virtual button on the right side of the screen to run and pass it. Everything is very simple and you will pass the first level easily. But of course, you can't maintain style forever. Then there will be times when you will hit a wall, or even fall into a trap or fall from a roof high in the city. The end of this character is tragic and deadly. It's so scary! But you can still click Play again and start a new journey. Every time you fall will help you become stronger, react good against obstacles. In each level, there are a few small tasks to complete, such as a triple jump or something like that. And when you win, you will receive some interesting prizes. Additional tasks that will make you think carefully how to complete the task and win, have the opportunity to unlock new keys Don't forget to collect gold coins on the screen, but be careful because it can be a trap that distracts you.21 Interesting charactersSmashing Rush allows players to unlock 21 very interesting characters. This is my main goal when I play this game. You can use cash or use the virtual currency in the game to buy it. The characters can be deadpool, Bruce Lee, Batman, Power Ranger or even zombies. They will make your trip more enjoyable. Some characters also have special visual effects compared to other characters, and of course, they're not cheap at all. Three modes The three main modes of Smashing Rush include Item Rush Mode, Stage Mode, and Challenge Mode. Each mode is a challenge for players. Stay focused, avoid obstacles and force quickly to win this match. Impressive graphicsBesides, another plus of Smashing Rush is that the graphics are designed with colorful art and an intuitive control system. The characters are designed to be funny and funny. Each level, you experience different maps to avoid being boring. The sound is also good with an EDM soundtrack that will keep you playing for hours and still want to play once more.
